Our Enrolment Process

At Mordialloc Community Centre all our activities are run on a term by term basis. This means that it is necessary for families to re-enrol into their chosen activities and pay in full prior to each new term starting.

You will receive a reminder email prior to the enrolment period, however it is ultimately your responsibility to enrol on time to avoid losing your spot. MCC will not be held responsible for late enrolments that result in disappointment.

Kindy Dance

Our Kindy Dance programs are structured beginner dance programs tailored for children aged 2-4 years. These classes introduce students to the basics of jazz and ballet dance, combined with music and imagination activities. Parents are required to remain in the Kindy Dance classes with their child and provide assistance if needed. To an extent, discipline is the role of the teacher in the class however if your child is misbehaving you may be required to step in. Our teachers run their classes to a set program, designed to develop coordination and increase confidence. Our teachers are experienced in working with young children and create a nurturing classroom, which our students look forward to attending.
